

Premium Suture

Cobra Black® Needles

Save Big

Securos Surgical can save you up to 76% on suture when switching from the industry leader. The average savings per hospital based on the most common suture offerings is 42%.

Ask your MWI Animal Health sales representative about our 100% money-back guarantee and sample the Securos Suture line today!

Cobra Black® needles are the newest innovation to our premium suture line. They have all the attributes of our premium suture needles, in addition to visibility improvement, thanks to their black color. They offer better contrast on tissue and needle glare reduction. Cobra Black® needles are currently available in select codes.

Additional Features

- Standard offering includes 30" strands
- Dental offering includes 18" strands
- Racetrack packaging design delivers low suture memory
- One dozen packaging
- Proudly made in USA
