Tibial Tuberosity Advancement

Frequently Asked Questions

Is this course RACE approved?
The Comprehensive Tibial Tuberosity Advancement (TTA) 1-Day Course program was reviewed and approved by the AAVSB RACE program for 9 hours of continuing education in jurisdictions which recognize AAVSB RACE approval. Please contact the AAVSB RACE program if you have any comments/concerns regarding this program’s validity or relevancy to the veterinary profession.

Will we be working with cadavers or bone models?
Each attendee will practice the TTA surgical technique on their own canine knee cadaver.

What should I wear?
Attendees should wear attire that is comfortable and cadaver friendly. Securos University will provide plastic aprons, gloves, and masks to protect you and your clothes, but accidents happen. Scrubs are always a good choice.

Will course notes/materials be provided?
Securos University will provide a copy of any PowerPoint presentations the instructor uses during lecture. The copies provided are yours to take home, so feel free to take notes and scribble on them as needed.

What is your Registration Fee Refund Policy?
Attendees can cancel their registration for any reason and receive a full refund of their registration fee up until 14 days before the event. After the 14 day deadline, refunds will be considered case by case.

What is your Cancellation Policy?
Securos University reserves the right to cancel an event for any reason at any time up until 30 days before the event. If the event is canceled, Securos University will provide a full refund for each attendee’s registration fee. Securos University will not be responsible for any other attendee fees, such as transportation or hotel fees.
